Hooray! Welcome not only to a spanking new year but also to the long-awaited (assuming you've been waiting all this time, of course) historic 85th volume of the nations favourite quality muff mag! Little did they think, way back in 1935, that their innocent little periodical would still be going strong all these years later – albeit in perhaps not quite so innocent a form! Well, knowing us we like to keep things low-key, so it's your favourite snizz mag stuffed full of beauties, reviews and kinky stories as usual. What the hell, perhaps we'll pop a bottle of Bolly and douse a great pair of knockers with it, I mean it's not every year MO turns 85! Plus, I can't think of a better way to enjoy bubbles, then when they're running down a cleavage. If you think of any, do let us know; ciao for now.

Michelle Thorne's SPUNKMAIL

Anything to say about our last issue?
Then this is the place to do it! Come on,
Michelle's gagging for it!

Dear Michelle,

Funny things seem to happen to people
when they go to weddings, and I don't
just mean to the bride and groom. In fact,
I think I mean even more so to the guests

who seem in some way unsuspecting.
Take the change that came over my
girlfriend when we attended her brother's
wedding recently.

We arrived early in the afternoon and
Simone, my beautiful girlfriend had started
to unpack when I noticed some fantastic
and very expensive looking lingerie coming
out of her suitcase. I asked her what it
was, and what it was for. "I think you know
what it's for," she grinned. "It's very stylish,
very expensive, and
very sexy don't
you think?" I did
think, and I said
so, trying not
to drool at the
prospect of
my girlfriend

chrome clips. She also had
some stockings, simple
black but obviously well made and again,
very expensive. She laid it all out on the bed,
got undressed and took a shower. When she
returned I jumped into the shower myself, not
daring to say anything but just wanting to be
squeaky clean for her just in case. When I got
out of the shower I came face to face with
her dressed in the basque, black stockings
and a pair of patent leather high-heeled
stiletto shoes. Fantastic!

She was obviously in the mood, because
before I'd had a chance to start getting
dressed she grabbed the towel around my
waist and spun me onto the bed! Then she

Dear Michelle,

Back in the days when I was a young
and horny lad, my friends and I would
often spend our Saturday nights like
any red-blooded males trying our luck
with beautiful women. Sometimes I
was successful, and sometimes it got
knocked back, but in the eventuality
of the latter I could always rely on the
latest Men Only to take care of my stiff
length; and I can see from the looks
of Jenna Sativa that not much has
changed, thankfully! What a corker the
gorgeous Jenna is, and I bet she has all
the forward manner of an American too!
Thank you for featuring her and all the
other lovely ladies over the decades.

Mike, London.

**Michelle says: You're a sweetie,
and I'm sure you've had more than
a few turns with some lovely
ladies yourself!**

literally leapt onto me and began to kiss me
passionately all over the face, the lips, the
ears, the neck and then she started heading
south, kissing my chest, my belly and then
the tip of my cock! She held tightly onto the
base of my cock with one hand while gently
fondling my balls with the other and at the
same time her tongue was teasing away at
the tip of my knob.

I tried to reach down to fondle her boobs
but she just reached up and pushed me
firmly back down onto the bed again – she
was in charge this afternoon! She began to

slowly bob her head up and
down on my cock. Instead of the
usual nervous nibbles at the tip of my cock
she was now massaging
her tonsils with it at
the end of each
of those long
strokes with
her soft mouth
and wet lips. I
was in danger
of coming in
her mouth, but
really wanted
to make the
most of my good
luck. Luckily, that

thought brought me away from the brink and
I regained my composure and rode out the
urgent desire to explode.

I was aware that as she crouched down at
my groin she was astride my right thigh and
had her fanny pushing down on my leg. A
warm, wet feeling was developing there as
she rotated herself slowly down and around
on my leg. Her grindings were becoming
more urgent and she was sucking me for all
she was worth, then suddenly she pulled
away and literally gasped, "Come in my

DANI

Here's a thrown fit for a princess, especially if that princess is supporting a terrific pair of bangers just like Men Only favourite Dani Maye here. Now we don't want to appear to be stereotyping, but is pink, your favourite colour, perchance? "Actually, no, it's not. My favourite colour is purple. My bedroom is painted purple, and my boyfriend's knobhead goes purple when engorged, so my two favourite things are both purple. Pink's a pretty cock bulging colour to us at this moment in time.

mouth, come in my mouth!" and then just as suddenly clamped her mouth around my twitching cock again.

Then Simone turned herself around, without taking my cock out of her mouth, and sat down on my face, with her dripping quim right in range of my probing tongue.

It seemed to take her about 10 seconds from that point to start what was up until that day the biggest and noisiest orgasm I'd ever seen Simone have. I took about half a second to recover from my shock and got my act together to start to pump up my seed again after holding it back for so long. Just as I could hold back no more and my spunk started to gush out into her willing mouth I felt the muscles in her thighs go really tense.

Then her love hole pulsed around my tongue as the orgasm rippled through her body as we both came while locked in 69.

She lay there for a while and then moved around again so she could put her arms around me and kiss me and cuddle me in her post-orgasmic reverie. I realised she had not only given me a blow-job to completion but she had actually swallowed also! And she'd done it while dressed for sex in some simply fantastic underwear.

The rest of the stay was interesting to say the least. At the wedding she behaved impeccably in front of her family. But then, later that evening during the big bash in the ball room she'd dragged me into a disabled toilet. She pulled off her knickers and pushed them into the top pocket of my jacket. Then

she pushed me against a wall, unzipped my trousers so they fell to the floor and then to my shock she used the disabled handles to pull herself up so she was straddling me like some kind of sexual gymnast. I just stood there utterly stunned as she pumped herself onto my rod like a nymphomaniac, and all with her expensive ball gown pulled up around her waist. We returned to the function as if nothing had happened, her knickers still in my top pocket and both of us grinning like Cheshire cats and my spunk running down her legs under her ball gown.

That was about seven months ago. Since then our sex life has just developed beyond my wildest dreams. I still have absolutely no idea what sparked this change in Simone, she claims it was just something about the wedding and her kid brother getting married that did it. But I don't care because, whatever caused it, she is now not only

rich, attractive, and (fairly) intelligent, but she's also absolutely wild in bed. And luckily we've been to plenty of weddings since!

Richard, Guildford.

"spunk running down her legs under her ball gown."

AVA!

Dear Michelle,

I'm not the tallest of men at only 5ft 4in, I really should have been a jockey! But what I lack in stature, I do my best to make up for in personality, and the careful attention I always do my best to show towards women. I say this because I have a particular disposition towards tall, smoking hot ladies. So when I set eyes on Ava, I was completely head over heels with lust, and on further investigation discovered she is a towering 6ft 2in, without heels! To me, Ava looks amazing, with all-powerful legs and a serious set of tits to get buried in. I can't believe I never stumbled across Ava before! Please feature her again soon.

Marc, Cornwall.

Michelle says: Well Marc, Ava certainly is a powerful and hypnotic woman, who we'd love to feature again soon!

BAILEY

BAILEY

Toned and superfit, the gorgeous 25-year-old Bailey Bae from Texas is the kind of girl who could shag you to death and then revive you, depending on how she's feeling. "I used to be a nurse before I got into the adult industry," explains the short-haired beauty during a break in shooting.

I bet you tell all the guys that when you get them in the bedroom? For some reason, and we're not complaining, she finds this question very funny. She giggles as she mock punches our writer's arm, "you guys are really funny! It can be a tipping point if you know what I mean." We do and would be more than interested in a check-up with nurse Bae...

Miss BEHAVIOUR

Real Life
Adventures

I share a flat with my best friend Jenny. We are really close and like most gal pals we share clothes, make-up and secrets, even telling one another about how our boyfriends rate in bed. This is how I became interested in her latest boyfriend Steve. Jenny had been boasting about how well-endowed he was and how marvellous he was between the sheets...

“It was glorious, and I cupped his large hairy balls and gave way to my inner slut...”

It had been a few weeks since I'd broken up with my ex and I was beginning to get headaches from lack of sex. I had been to the clubs and bars, but somehow no-one there seemed to catch my interest, especially after Jenny told me about Steve's prowess in the bedroom.

In my defence it was Jenny's own fault that anything happened, because she forgot they were meant to meet one Thursday and she stood him up. Steve tried her mobile and hung around for over an hour and when she didn't turn up he called in to the flat. I had nowhere to go and was spending the evening alone on the sofa watching TV. I was in my PJ's as I thought I had the place to myself, and when I opened the door to Steve I was glad that they were short and sexy – and that I had washed my hair earlier.

I couldn't help fluffing my blonde hair and fluttering my eyelashes, explaining that Jenny

“Up and down my head bobbed, sucking hard.”

had gone to her cousin's hen night. Being a bit of an air-head she had obviously forgotten she was meant to be meeting him. I apologised for her and before he could leave I pulled him into the living area and insisted on trying her mobile

again. It chirped away on the dresser where she must have left it to charge.

He didn't look too upset so I offered him a beer

“Telling me to open my legs wide he went down on me, burying his face in my curly pubes...”

and asked if he would like to hang out until she came home. He looked me over and I could feel myself blushing as I did the same. His smile made my tummy flip and I couldn't help wishing he was mine. He was certainly enjoying looking at me in my semi-transparent pyjamas, and was clearly sporting a bulge in the front of his jeans.

He noticed where my eyes went and then it was his turn to blush, but I smiled encouragingly at him and instead of looking away he

onto the couch and within moments we were kissing and touching in a tangle of garments as we tried to undress one another too quickly. It made me giggle and Steve laughed too,

As his boxers slid around his ankles his big cock sprung upright, fully erect with a bulging dark red head. I licked my lips before kneeling in front of him and taking his beautifully shaped prick in my mouth.

Rarely have my lips been pursed around such a fantastic pole, and without hesitating I began to suck on his beautiful knob. Up and down my head bobbed, sucking hard. It was glorious, and I cupped his large hairy balls and gave way to my inner slut, slurping and choking on his member until he began to groan.

He pulled my hair back from my face so he could watch the proceedings and I kept sucking for all I was worth. Then, with a loud sigh, he gently eased out of my mouth and pushed me onto my back. Telling me to open my legs wide he went down on me, burying his face in my curly pubes as he ate

openly started to ogle my figure. Without saying a word we moved together and kissed, his hands moving over the thin silky fabric of my night clothes as he cupped my breasts, lightly squeezing them. Our bodies toppled together

Steve finally managing to strip down to his boxers and socks while I ended up stark naked on the sofa. I'm not in the least bit shy, and by the look of the huge hard-on in his shorts I was starting to realise that Jenny hadn't been exaggerating.

“His fingers prised my arse cheeks apart as he tongued my crack...”

arse cheeks apart as he tongued my crack, licking from my pussy right up to my bumhole. I was so hot for him that I screamed out to him to fuck me, and he took me at my word, his long meaty cock plunging inside my aching pussy.

In and out he slid his thick rod, fucking me hard with each vigorous stroke, and soon I was squealing with delight and begging him to fuck me harder still. His cock thrust in forcefully and fast, and he slammed

his balls against my thighs as he plumbed deep inside me. I was quivering with delight and begging for more when he withdrew his cock making me beg him for more.

Steve laughed then he shushed me and began licking my ring. I cooed and wriggled, delighted at the thought of having some anal fun. Slowly and deliberately, he lubricated my rear entrance with moisture from my pussy before gently entering me from behind.

His long slow strokes created the most delightful friction and within moments both my pussy and my anus were convulsing in unison, sending waves of ferocious pleasure throughout my whole body. Steve gently touched my clit,

“His cock thrust in forcefully and fast, and he slammed his balls against my thighs...”

circling it with his thumb as he fucked my arse enthusiastically, and as I felt him stiffen I began to come. Then he splashed his load in my bum, making both my love-holes spasm and contract with absolute pleasure.

We snuggled up together for a while and when I went to bed, Steve washed up and waited on the couch for Jenny to return. And from what I could hear, she got a pretty good servicing out of him as well! Needless to say, both Steve and I never said a word to Jenny about what happens. From what she's said about him I reckon she's not too serious about the relationship, so I'm hoping that if they split then I'll be able to move in and have his big cock all to myself!

Angie, North Yorks.

me out.

His tonguing technique was excellent and I was soon shivering as the first of several

“I screamed out to him to fuck me, and he took me at my word, his long meaty cock plunging inside...”

long hard orgasms hit my quivering pussy. His fingers pinched my nipples, rolling the flint hard teats as one orgasm yielded to the next.

I was sobbing for breath as he came up for air, and then, flipping me over like a rag-doll, he moved in behind me. His fingers prised my

INTERVIEW

WHITE SHOWER!

Angela White is the top female performer currently in the adult industry. She has been in porn all of her adult life and has created quite an empire. She has her own production company — AGW Entertainment — which has produced many great releases! She made her way to America from her native Australia two years ago and moved to the porn capital of the world and put herself on an even greater level. Oh, and she bagged the coveted Female Performer of the Year award at the latest AVNs.

First, congratulations on your Performer of the Year award from AVN. What did that honour mean to you?

It was an incredible honour. It's...it's hard to describe just how much that award means to me. Obviously, it's been an unbelievable journey and I've been on this journey for a long time and it means so much to me.

You also hosted the awards show last year. You were great but how do you think it went?

It just went by so quickly! Joanna Angel warned me about this because she'd hosted in a previous year. She said to just try and

enjoy every moment because you think it's going to take a long time but you snap your fingers and it's over. That's really how it felt.

And you won 13 awards that night so you were quite the busy girl! After achieving the pinnacle of your profession, what

comes next? I know you've been working all year but do you have any other goals or things you want to achieve in the industry?

I want to do a lot more collaborating, which I've done this year. I did a big collaboration with Bree Mills earlier in the year for Pure Taboo, The Weight of Infidelity. I also wanted to work with Karla Lane for quite some time. Later, I did a collaboration with Greg Lansky, I Waited For You, which was a very romantic piece. I shot with Manuel Ferrara and I really wanted to show that there's room for love and romance in porn. It got a very positive response. And then, obviously, the huge collaboration I did with Jonni Darkko. These collaborations were definitely a goal of mine for this year and I've been able to achieve them. And doing my first trans scene was another goal and working with Rocco Siffredi has been a dream of mine for a long time. I did a lot of the things I set out to do this year.

Since you brought it up, let's talk about Angela by Darkko. How did that collaboration come about?

Jonni and I had been in discussions for a long time about doing something creatively together. We both love each other's styles. I love that he focuses on this high-end, beautiful fashion photographer and he pairs it with this filthy, nasty pornography. For me, that's always been my vision. When I first created AngelaWhite.com, I wanted to serve a dirty dish on a clean plate. And with those tease sequences, we really went all out. With the snow tease, the rain tease, the glitter and the gels, we went for it and I think the results are stunning.

You had a great scene with Markus Dupree. You squirted like an out of control garden hose!

I certainly squirted a lot with Markus. He made me squirt over 30 times in that scene which was definitely the record.

How did you like the gangbang?

Most of the gangbangs you've been in was for your own productions but how was this one directed by Jonni?

I loved it! It was such an incredible experience and it actually took some of the pressure off, having Jonni there directing it. I could enjoy the experience more. All the other gangbangs I have done have been for myself, and I still consider this gangbang for myself, because it was co-produced by me. I loved the gangbang and what I loved especially was how well the triples were captured. I've never seen in any other gangbang ever, triple penetration captured so beautifully and so cleanly. You can see each cock penetrating the holes and you can see my face looking back and smiling. It's just the cleanest and so, so beautiful. It's a very tough shot to get because, obviously, the guys' bodies can get in the way...

You also have I Am Angela by Evil Angel Films that is a porn documentary. Tell me about that one.

It's a hybrid, so it's a documentary with porn scenes. It's the most unique project I've ever been involved in! I was so thrilled when Evil Chris approached me about filming I Am Angela because it was the first time I was given an opportunity to be truly showcased. I think that this way of showcasing performers by not only showcasing their performances, the sex, but also by showcasing them as humans; looking at their lives, looking at their backgrounds.

The highlight is probably the Rocco Siffredi scene that everyone's talking about. Tell us about that one!

Everything was so amazing that it's hard to say something was a highlight but that Rocco scene has got a lot of attention. It's the craziest scene I've ever done. It's very intense. It's very unique in that Rocco and I started fucking from the moment we met.

It's a very, very intense scene. I've never experienced that kind of intensity from a man. It was very rough, it was a physical challenge. I walked away from that scene feeling like I was just in a gangbang. It was a one-man gangbang.

What else is in there in the film?

The first scene is an airtight DP with Mick Blue, Markus Dupree and Steve Holmes. A fantastic team of men. There's a big focus on dirty talk in that scene and I don't necessarily consider myself much of a dirty talker but, in this scene, I look directly into the lens and talk about all the dirty things that are going through my head. Then there's a girl/girl scene directed by Dana Vespoli who also appears in it. It's a lesbian anal POV scene with myself and Joanna Angel. The final scene is my first trans scene with Chanel Santini. That was another incredible scene. Obviously, it's amazing just to be able to do my first TS scene with a company like Evil Angel who have been a pioneer in mainstream trans content. Then to have it directed by Joey Silvera himself, that was an honour! It was wonderful. Very, very intimate, very sensual, very connected.

You show us your apartment which is just bare. It's actually a production office. Do

you ever just relax? Just sit on the sofa with a drink and watch TV? What do you do to relax?

No, my TV is still in the packaging it came in. My relaxation tends to come in forms that still contribute to my work. I'll go to the gym

or pilates for my stress relief. Or I'll take a bath with Epsom salts for muscle recovery and to heal the inevitable bruising that comes from fucking on unconventional surfaces like kitchen benches

and hardwood floors. My work is my passion and my life.

Joey Silvera came out of retirement to direct a scene; Dana Vespoli came back to Evil Angel to direct a scene and Rocco flew 10,000 miles or whatever just to fuck you. How does that make you feel? It makes me feel incredible! It's surreal and wonderful to be given the opportunity to work with industry legends that I've always dreamed of shooting with. "I Am Angela" has a monumental lineup of directors and performers.

How was your first TS scene? Chanel is hot and with her body and her dick, was it almost like doing a boy/girl/girl scene?

My scene with Chanel was absolutely incredible! I felt like I was getting the best of both worlds. But when we were having sex, I never thought about anything other than the connection and chemistry we had together.

When you first saw Rocco, you asked him a question or two and just pounced. What was it about him that made you act like that?

There were three months of anticipation and pent up sexual tension leading up to that scene with Rocco. When we were finally in the same room together, we just couldn't keep our hands off each other. It's difficult to explain what came over me. I just felt this sexual pull towards him and I went for it!

You produce your own content and have scenes with other studios. Do you watch any other porn? And is it for pleasure or for research?

A bit of both. To be honest, I don't watch much porn. What I do is I see a lot of porn because I'm on Twitter and I see other people tweeting their porn, their photos, their GIFs. I'll watch a lot of trailers as well just to see what everybody's been up to. There are times that I'm editing my own porn and get turned on and say, 'Oh gosh, I have to take a moment to...' (laughs) I'm back in that moment getting fucked by that guy then I remember how incredible it felt so I'll take a moment to masturbate.

You've been in America for two years now. How are you acclimating to the United States?

I certainly miss Australia and I haven't had a chance to go back. I miss my family and I miss my friends but I am doing what I love here. It's really a great distraction.

What's your favourite thing about porn?

The sex, obviously. The incredible sex that I get to have! It's really nice living here in the U.S. because now I'm part

of the community. I think when I was living in Australia, I would be looking at people's Twitter feeds and seeing them all socialize or seeing them on set everyday and yearning for that community of people who celebrate sex and enjoy expressing and exploring their sexuality together. Now that I'm living here, it's nice to be part of that community.

And how can the fans get hold of you?

Angela: On Twitter, I'm @AngelaWhite. Instagram is @theangelawhite. Snapchat is AngelaWhiteSnap.

SIENNA

Miss Day, what is that stuck over your nipples? Don't tell us they're off-limits to the male gaze?
"Don't be daft; it's just a little look that I'm enjoying at the moment."
We're delighted to hear it, and it does look rather fetching with your fishnet ensemble we must say, I'm certainly caught in your net.
"You'd better come closer and watch me have a little fun with my pink friend here."
I've got a pink and purple friend you could have fun with instead?
"Keep dreaming little fish."

HORNY HOOK UPS!

KATHRYN

We like all sorts of boobs here at Men Only, but 31-year-old Kathryn St Croix takes the bosom biscuit!

They're not too big, not too small and not in the slightest bit available to us, unfortunately! But why?! "Because it would be a bit tacky to get off with someone from Men Only, wouldn't it? I'd like to be asked back. Sex would ruin everything! But a quick go with one of your readers..."

Typical. We find her, get her to get her kit off, and you lot get the shag!

DEAR MEN ONLY,

My girlfriend Martha and I have been a couple for three years now and we finally decided to move in together last month. After scouring the papers and local ads, we started to do the rounds of the estate agents in our area. We weren't looking for anything flash or even particularly big; we just wanted a little one bed flat it being our first place. However, as estate agents always do, we were constantly being encouraged to pay that little bit more than our budget. One day an agent called us to tell us about this "amazing flat that we just had to see". Intrigued, we went down to his office and he told us about a new development that was now available to be viewed. He said that he had to run to another viewing, but that he would give us the keys and he would meet us there in an hour.

As soon as we got there we could see that it was way beyond our means. It was one of these flash complexes with its own gym and huge balconies. We decided to have a look anyway, and went into the flat. It was incredible; kitted out with the best furniture and plush carpets. As we walked into the bedroom and saw the kingsized bed, I had a sudden realisation that we were all alone. It was a hot day, and Martha was looking fantastic as usual, her pert arse beautifully encased in tight white dress, her cleavage on display, making my dick twitch every time I looked at it. As we strolled into the empty bedroom, I couldn't help myself and I grabbed

her tightly, kissing her passionately and cupping her bum with my hands. This always does it for Martha and, despite initially tensing up, she soon relaxed and began kissing me back. We have a very fiery sex life and lust immediately

took over – I pushed her back against a wall, pressing my hard on into her thigh, letting her know how turned on I was.

She responded by snaking her hand down to my bulge and stroking it through my jeans. That was like hitting the 'go' switch and I grabbed

her, still snogging her face off, and orchestrated it so we both fell on the massive bed.

She initially tensed up again and I could tell that she was worried about getting caught, but I wasn't about to let this opportunity slip by! I grabbed her boob and kneaded it with one hand, while I slipped the other under her dress, between her legs.

As soon as I made contact with her knicker-clad pussy, she groaned and I knew I was in! I pulled the material aside, out of the way and began playing with her clit. She responded enthusiastically, spreading her legs beneath me and pressing her groin into my hand, encouraging me to finger her. My cock got even harder as she ground her pussy against my digits as they pushed their way inside her soft, warm snatch, bucking her hips as I started sawing them in and out.

I love the way Martha's breathing becomes so laboured and loud when

**"She took me in
her warm mouth,
her full lips
wrapping around
my shaft..."**

her take me in her mouth and begin to suck me off. She loves giving head and because she's so enthusiastic she's great at it. Usually, I'd be happy to come in her gob before getting hard again and fucking her. But today, I let her have a couple of minutes before I pushed her away and back onto the bed.

She grinned, spreading her legs wide, ready and waiting for me. I knew what she wanted and I obliged, finding her hole and sliding my cock inside her balls-deep. She half moaned, half screamed, her cries echoing around the cavernous, empty flat, and I started to shaft her in a slow juddering rhythm, listening to her every grunt as I filled her tight pussy. Her long nails scratched up my back urging me on and it had the desired effect as we sped up, fucking like animals.

I pounded into her fanny so hard that my balls made a really satisfying sound as they slapped against her arse with every thrust. This spurred me on to go even faster, even harder, banging into her with every bit of power I could muster. Unsurprisingly, this animalistic fucking did it for Martha and she climaxed, her fanny walls quivering and moaning so loudly that I was glad the building was empty!

I could easily have come myself then, but I was thinking logically and knew that the clean up job could be slightly awkward, so I told Martha that I wanted her to swallow my spunk. She grinned as she caught her breath and quickly moved down the bed until

"I'd barely pulled my fingers from her sticky twat before she was undoing..."

she's turned on and, the way she was nuzzled into my neck, her breath warm on my skin, turned me on so much that I just had to have her! She, apparently, felt the same way, because I'd barely pulled my fingers from her sticky twat before she was undoing my jeans, scrabbling to get at my rock hard prick.

Freeing it from its denim confines, Martha attacked my cock, sliding down so her face was in my groin. Although I was very conscious of our time-constraints, I let

she was in the perfect position to give me head. She took me in her warm mouth, her full lips wrapping around my shaft as it disappeared down her throat. I gasped, the pleasure hitting me in a huge wave, and I was glad I was lying down. Martha is fucking amazing at blowjobs and she genuinely loves giving them, luckily for me!

As she began working my hard cock with her talented mouth, sucking

me in to the base and then all the way back up to the tip before flicking her tongue across my helmet, I knew it wouldn't take me long. In fact, the thought had only just crossed my mind, when I felt myself beginning to come. I managed to let Martha know mere microseconds before I blew my load, jizz coating her mouth and spraying down the back of her throat. The smile on her face told me that she loved every second of it!

We knew we were pushing our luck time-wise, so as soon as Martha had milked the last few drops out of my dick and cleaned my up with her tongue, we quickly got dressed and made the bed look as presentable as we could – although pristine it was not!

We had literally just finished plumping the show-flat's pillows up once more when we heard keys in the door, and the estate agent strolled in. Talk about a close thing! We let him give us a

"I started to shaft her in a slow juddering rhythm, listening to her every grunt..."

tour, spouting facts and figures at us, but neither of us were taking any of it in.

We both "ummed" and "ahhed" at the right moments, but all I could think about was fucking the arse off my girlfriend merely

minutes before!

SARA

PHOTOGRAPHS BY RUPERT DAINES

You've got no control over what you look like, that's the problem. It's something we at MO (42-42-42) know all too well. Doesn't matter how you diet, exercise, make up or pose, the chances are the image you're projecting is nothing like you at all.

Take Sara. To look at the pictures you'd think she was a classic 'you can look, but you can't touch' 21-year-old starlet type. It's not true at all. Sure, you can look. In fact she'll get very pissed off if you don't. But you certainly can touch.

Made quite a scene, Sara, after an evening in our local boozer with her tits hanging out of her top (34C-22-33). Seemed no one had groped her at all. Pussy hanging out around the tightest knickers under the shortest skirt and not one goose all evening.

We did point out that this is Soho and tits and pussy are not all that unusual around here, but that wouldn't do. Nope, Sara got quite tetchy at that point. She required a great deal of fondling and caressing of the third kind before she cheered up.

At which point she ordered a lot of champagne, several bags of beer nuts and went off with a football supporter with an enormous bulge in his strides.

Which proves the point: why the hell act sophisticated when there are women around? They're only interested in one thing, right?

REVIEWS

It's all razorblades and dragons this issue as two great series call time, and what will we do with the binge watching hole left in our lives? Why, watch them all over again!

Peaky Blinders Series 5

DVD £14.99
Blu-Ray £19.99

DVD of the Month

9/10

Those Brummie boys are back, with class and distinction, well Tommy has an office in Westminster and a licence to heckle; will that do? This latest offering from Steven Knight opens with the Wall Street Crash wiping out most of the Selby Company Ltd's legitimate funds, and bringing with it new enemies and unprecedented dangers from the inside and out. With the unsettling Oswald Mosley (Sam Claflin) making a bee-line for Tommy, could this Blinder finally be out of his depth? Or will he have one last trick up his sleeve? He has had a longer shelf life than most gangsters, but with Jimmy McCavern's (Brian Gleeson) Billy Boys stomping south, is there enough Peaky Blinder

muscle to hold onto the tracks, and their balls, or will they be overcome by Glaswegians? There are a lot of questions, threads and darker revelations in this series, with a harsher light shed on the violence that takes place with Gang warfare. Excellent as always, Cillian Murphy portrays Thomas Selby on the brink of collapse, as his mental fragility and paranoia spiral out of control. Helen McCrory never falters as the wise and feisty Polly, even when her son Michael (Finn Cole) slips into the preying arms of Gina (Anya Taylor-Joy), coldly calculating and ruthless, a Polly in the making, but without the heart that keeps Polly human. Superb as always.

DVD

Game of Thrones Series 8

DVD £19.99, Blu-Ray £24.99

Should I even begin? We all know this knockout series from HBO will have empyrean status for years to come, so what could there be possibly left to say? Well, there's the Night King to slay for one, in the long-awaited last season, as winter digs in deep who will be left standing to claim the Iron Throne (I feel parallels with the General Election coming on here). This final season rages with brutality, sacrifice and fire, as all-out war marches on Winterfell, with stunning visuals that capture the chaos of battle, and subtle markers that point out the road ahead. You've probably already watched it, but no doubt you'll need to see this triumph from start to finish again.

DVD

Seven Worlds One Planet

DVD £14.99, Blu-Ray £19.99

Your mind will be left racing, your eyes dazzled, and your heart heavy, after this latest instalment from the patriarchal and mythical voice of the earth, David Attenborough. It's hard to fathom looking out of the rain-lashed windows, at the grinding concrete industrial hub that I'm currently hauled up in, that the worlds of Seven Worlds One Planet actually exist. Yet they do, somehow, having managed to cling on, while we bulldoze their habitats and ransack their food chains absentmindedly. Least we forget that it was these animals, insects, sea life and forests that gave us life and the means to rise. The old proverb, never bite the hand that feeds you, is tolling loudly in my ears.

Protein Experimentum
ALBI

When youth comes knocking, who am I to turn it away? Clearly not mad then after all.

Quite the opposite, I threw open the doors in quite the hurry to get a good look at Alli Rae; who is butter wouldn't melt, girl next door, blue-eyed doe all rolled into one. And she couldn't wait to get her kit off to boot! I think we're onto a winner here...

Is that Wonder Woman I spy, de-costumed and legs spread wide for a pounding? I'm imagining an explicate version of Comic-Con here, and it's a pretty hardy thought!

He Loves me in stockings and heels *Wicked*

Cast: Britney Amber, Aaliyah Love, Alexa Grace, Ella Nova

3/5

Synopsis: The title really says it all, so there's very little need to go into detail at this stage.

Verdict: Yes, that's rather a long title – we had to go some to squish the title in above. Honestly, what are these porno companies thinking of? Mind you, once you get past the overlong title and think about what it means, you can't really argue with the premise, because while the girls on display in this flick would all look pretty irresistible even without their stockings and heels on, once they have kitted up they are a wonder to behold! Alexa Grace kicks things off, lounging about in her boudoir admiring her stocking-clad pins before her fella rolls up and, well, loves her. There's nothing too outlandish about the shagging, but he does look like the cat that got the cream after he's popped over her turn.

Editor's
CHOICE

Cover babe Britney slinks down the stairs for her fella and treats him to a very satisfactory bunk-up on the sofa, her old school furry snizz finally getting a proper appearance when he drops his load all over it. To be honest, with an asset like that it seems a shame not to have seen a bit more of it, but there you go. There's a bit more fur to come, too, with Aaliyah and Ella both sporting bushes of sorts, making this a nicely old-fashioned and rather glamorous offering for couples.

3/5

Silicon Valley Sex Nerd

Private

Cast: Briana Banderas, Elle Rose, Baby Nichols, Daniella Margot, Nelly Kent

Synopsis: Gorgeous geeks let their inner wild side out in Private's fuck fuelled tech fest, Silicon Valley, Nerd Sex! The hot Elle Rose gets things started with a hardcore session with Luke Hotrod and her skills are matched by the vicious Latina Baby Nichols; this slutty gamer shoes how she handles big joy-sticks. The fun doesn't stop there, these girls are joined by cock sucking experts Mary Rock, Brianna Banderas, Nelly Kent & debutant Daniella Margot who gets broken in with some hardcore anal!"
Courtesy of Private

Verdict: Once upon a time, of course, the only Silicon Valley you'd find in a bongo flick was the one between the starlet's fake knockers, but since nerds are all the rage these days thanks to shows like *The Big Bang Theory* that's all changed. And while we're on the subject of big bangs, there are certainly quite a few of them going on in this feature. Cute Elle Rose is first up to the plate, looking around a fancy pad with her fella (Luke Hotrod). Delighted she can get a Wi-fi signal there, the pair celebrate with a no-nonsense porking on the kitchen table, with a good bit of oral to start. There's another English stud in action next, taking on Latina Baby Nichols after a bit of gaming fun, which they both quickly realise isn't quite as much fun as shagging. Very stroke-worthy stuff.

ZARA

ZARA

It's double May-hem with both Dani and Zara in the same issue, but we're sure you lot can take the pressure of looking at both these lovely ladies. Though we may have to concede defeat in the face of such a fine and flexible body as Zara's, and those stockings ready do tend to concentrate the mind. Perhaps you could use her as a secret weapon in schools on teenage boys, bet they'd understand Pythagorean theorem if Zara May was at the chalkboard. We've certainly created a right-angle of our own, just from watching.
